SPORT Paralympic Shooting	COLLEGE Vernon Regional Junior College
EVENT R6 - 50M Mixed Rifle Prone	JOINED ARMY October 2004
HOMETOWN Corsicana, TX	BRANCH Active Duty
HIGH SCHOOL Burkburnett High School	MOS 11C, Indirect Fire Infantryman

As a kid, SFC John Joss was good with guns, which made him a natural as an Army infantryman. In 2007, a combat injury required a right lower leg amputation, but he didn't let that slow his career. While attending the Warrior Leader Course at Fort Benning in 2011, he was approached about joining the Army shooting team. “I wasn't sure what it'd be like, but I tried out... and it's been great since,” Joss says. He earned a coveted slot in the U.S. Army World Class Athlete Program in 2017 and has been racking up victories with WCAP ever since.

"Being a Paralympian and a Soldier is a dream come true. I take pride in my dual commitment to excellence and service."
